I understand that, by waiving coverage under my employer's plan at this time, my request for coverage at a later time may subject me or my dependents to penalties not imposed on other subscribers.

However, if I am declining enrollment for myself or for my dependents (including my spouse) because of other health insurance coverage, I may be able to enroll myself or my dependents in my employer's plan if that coverage ends in the future, provided that I request enrollment within thirty (30) days after that coverage ends. In addition, if I get married or have a child (whether by birth, adoption, or placement for adoption) after I decline enrollment, I may be able to enroll myself and my dependents in my employer's plan at that time provided that I request enrollment within thirty (30) days after the marriage, birth, adoption, or placement for adoption.
